Reactivation of test scores: If you wish to reactivate your previous HESI test scores, a Reactivation Form must be filled out. Please go to Student Services at TCAT Crump for the form or call 731-632-3393. HESI scores are valid for two years.

Entrance into the program: After the testing window closes, students with the top HESI scores will be offered seats in the program. An application package and invitation to orientation will be given to those individuals to accept their seats. The number of packets given out for any practical nursing class will be determined by the class size and administration.
